

Leadership Expectations

Leadership in the church of our Lord Jesus Christ requires only people of high commitment. All who are willing to serve in leadership roles and positions in the church are encouraged to rise to the spiritual challenges that such positions require because they greatly influence the lives of other disciples.

Recognizing the high commitment asked by our Lord Jesus Christ of those who would lead and serve in His Church, I am committed to rising to the challenge of leadership and have indicated my commitment by writing a YES on the blank.
