**This Bible reading plan will guide you through the entire Scriptures at your own pace. Each day of the week focuses on a different section of the Scriptures so that you are exposed to all portions of God’s word throughout the week. Read prayerfully and thoughtfully, asking the Holy Spirit to guide you and teach you.**

**Additionally, here are some other things to keep in mind:**

- Read only as much as you can absorb. Meditate on it, pray, and listen to God speak to you through His word.
- Mark off the chapters you have finished reading so you can continue from there the next time.
- Following this plan you will likely complete one section or more before other sections. In that case, you can read from sections not yet completed in an orderly fashion until you complete your entire Bible reading.
- Taking your time and listening is the essence of this plan. Without rushing in any way, it may take you about two and a half years to complete reading through the Bible.
- When you have read the whole Bible through, you could start over, perhaps reading in a different translation.
- Find someone to be accountable to and share the Scriptures with.

**Life Outlook**

*From childhood you have been acquainted with the sacred writings, which are able to make you wise for salvation through faith in Christ Jesus. All Scripture is breathed out by God and profitable for teaching, for reproof, for correction, and for training in righteousness, that the man of God may be complete, equipped for every good work.*  
 2 Timothy 3:15-17

The goal is to let God’s word affect how you view yourself, the direction you are headed in life, and your actions. Every day, ask yourself these four questions as a means of applying God’s word to your life:

- Where do I come from?
- What is my purpose for being here?
- Where am I going?
- How should I behave?
